

## Aria® Auditorium Seating

Auditoriums are often the public's first experience with schools, businesses or facilities. Worn, faded, outdated auditorium furnishings can present a negative image. Reflect a commitment to excellence and impress students, visitors and attendees with an elegantly designed and furnished auditorium. ■ From traditional to contemporary settings, Aria's crisp, clean lines are ideal in auditoriums, lecture halls, training rooms and seminar facilities. Ease aisle access with Aria's space efficient 13" folded depth, among

Find seat locations easily and enhance the look of the auditorium with aisle lights and row markers.

Easily store large tablet arms under seats with a one-motion mechanism.

Embellish auditoriums with elegant end panels in wood, laminate or upholstery.

Accommodate various design needs by incorporating back panels and arm caps in wood, plastic or upholstery.

the narrowest available. Gain superior long-term comfort with Aria's unique articulating back and thick cushions. ■ Explore design possibilities with Aria's many options, including a wide variety of powder-coated frame finishes and the broadest selection of fabrics. Enhance an auditorium's appearance with decorative end panels, back panels and arm caps. Choose from four seat widths, an optional tablet arm, aisle lighting, seat and row markers as well as ADA accessible options.
