

Versa® Junior Chairs and Junior Tables

Versa Junior chairs and Junior tables combine classic Versa styling with key performance features that meet the demands of today's juvenile seating requirements. ■ Chairs can be specified in three seat heights. Seats and backrests are available in polypropylene or upholstered in KI fabrics, KI vinyls, Pallas textiles or C.O.M.

Versa Junior chairs and Junior tables are designed and manufactured to be stable and safe.

Chair frames feature wallsaver legs to protect walls from marring.

Based on the full-size Versa (right), Versa Junior chairs accommodate a wide range of age groups from five to fourteen years.

Seat Heights			
Polypropylene	10½"	13"	14½"
Fabric or vinyl	11"	13½"	15¼"

The underside of the Versa Junior seat pans and Junior table tops are free of sharp edges and rough surfaces.

Junior table leg glides feature ¼" adjustability for leveling without tools.

■ Chair frames and table legs can be chrome-plated or powder-coated in KI's standard colors. ■ Tables are available in three heights: 18½", 21" and 24". Solid core round, square and rectangular tops can be selected in a wide range of dimensions, and in standard KI laminates. Tables are finished with a durable bullnose edge.
